

## **The SHAG Company**

ZAO SHAG is the pivotal organization for a consortium of functional units providing medical technology throughout the Russian Federation and its sphere of influence in this business sector. SHAG is known in virtually all hospitals as the supplier of Cook, Arrow and numerous additional proprietary product lines. SHAG successfully bids for important Ministry of Health contracts each year. The SHAG Company has representative offices in all federal regions of Russia: Central, North-West, Volga, South, Urals, Siberia, and Far East. As well as being a leader in Russia, SHAG will be a member of the US Chamber of Commerce in December 2008. [www.schag.ru](http://www.schag.ru)

## **The Implanta Group of Companies**

With affiliated but independent companies in each of the Federal Regions, Implanta is the Russian market leader in the implantable cardiovascular device space. Implanta has exclusive distribution rights for Medtronic cardiovascular products within the region. Affiliated companies are: Implanta SpB, Implanta South, Implanta Volga, Implanta Ural, Implanta Sibir and Implanta DV. [www.implanta.ru](http://www.implanta.ru)
